

A little about us.

Envirogreen Recycling is an innovative recycling company. We use eco-friendly practices, where possible to reduce our carbon footprint and our impact on the environment.

We have introduced other initiatives at our new facility. These include water-saving toilets & taps, energy efficient light bulbs. We operate all of our fleet & plant machinery using bio-diesel (made from cooking oil) among other innovations to mitigate the effect of our operations on the environment. To help our clients do the same we will plant a tree for every new client that joins us.

Our team is made up of highly experienced individuals with years of industry knowledge, striving towards a common goal of delivering a highly efficient eco-friendly recycling service to our clients. At Envirogreen Recycling we fully understand the importance of excellent customer service.

We put our customers first.
